ROYAL PAIR WATCH AIR BATTLE

APPEALS FOR FOOD FOR HUNGRY SERBS

MISS HELEN LOSANITCH, daughter of the former minister of agriculture in Serbia, who is here pictured in her native costume, has come to the United States with a companion, Mme. Grouitch, wife of the Serbian under-secretary of foreign affairs, to ask Americans to send seed grain and agricultural implements to her stricken country. Serbia, with Poland and Belgium is the greatest sufferer of the war. Hundreds of square miles have been devastated. The ruin and suffering in Northern France do not approach what Siberia has gone through.

BOMBS DROPPED NEAR PALACE OF RULER OF MONTENEGRO

CETTINJE, Montenegro, Feb. 15.—An attempt on the part of Austrian aviators to dynamite the winter palace of King Nicholas at Rieka is reported today. Several bombs were dropped within a few yards of the palace, but without doing damage.

The king and queen watched the fight between the palace guards and aviators, in which the latter were driven off.

Despite all warnings, the royal couple, accompanied by Princess Vera, rushed to the lawn to see a bomb explode in the glass conservatory near by.

WASHINGTON, Feb. 15.—German Ambassador Von Bernstorff today presented a new note to the State Department in which Germany reiterated her request that neutral shipping avoid the war zone and take a track around the north of Scotland.

The war zone decree is characterized in the note as "a measure of retaliation against England." The note declares Germany is informed that British merchantmen are arming preparatory to sailing in an effort to sink German submarines with bombs and other weapons.

The note contended that under the circumstances it is out of the question to stop and search vessels, and the only recourse is to fight.

It is added that the English are planning to use neutral flags in forbidden waters. As neutral ships are thereby endangered the request that they be diverted to the northern route is repeated.

It is declared Germany will modify her war zone decree when England stands ready to recognize international law which she is now ignoring.

Von Bernstorff again suggested that America endeavor to have England modify her position concerning food shipments to Germany.

PARIS, Feb. 15.—The Germans have been defeated in a three-day battle around Norroy and Fonlauraine, according to the official government communiqué today.

As a result the enemy has been driven from the heights surrounding Norroy.

The allies are on the defense west of La Basse and along the canal as far as Bethune.

A French regiment in this region charged a German position and captured two hundred and fifty yards of the enemy's trenches, it is said.

LONDON, Feb. 5.—The Exchange Telegraph correspondent at Amsterdam says:

"A terrible epidemic of typhoid is raging in the section of Poland near Lodz and occupied by the Germans. As a result the Kaiser has abandoned his proposed visit to that section."

AMSTERDAM, Feb. 15.—The Kaiser today gave his blessing to the submarine fleet as it steamed to sea to drive out England's commerce. According to advices today the Emperor will go to Cuxhaven February 18 when the submarine blockade becomes effective.

The announcement created the greatest enthusiasm in Berlin.

LOS ANGELES, Feb. 15.—One thousand dollars was appropriated today by the Board of Supervisors to send District Attorney Woolwine to New York, accompanied by two detectives to secure the extradition of M. A. Schmidt, alleged Los Angeles Times dynamiter, arrested there Saturday.

Woolwine will go to Sacramento tonight to secure a warrant of rendition from Governor Johnson and will leave immediately for the East.

Woolwine is fully prepared for a court fight in the event Schmidt attempts to escape on a habeas corpus writ.

NEW YORK, Feb. 15.—The police are trying to connect M. A. Schmidt, the alleged Times dynamiter, with the recent bomb outrages in St. Patrick's Cathedral, the Tombs and the Bronx courthouse. If they can place anything on him they say the California authorities will experience great difficulty in securing his extradition.

LOS ANGELES, Feb. 15.—Goldie Evans, K. Chilson and H. Dugkey, alleged Chinese smugglers, were arraigned today before Federal Commissioner Williams. Bail was fixed at \$3,000 each, and all were sent back to jail to await their preliminary examination February 25.

The party was captured Saturday after a battle between a posse of Indians and federal officers in the Salton Sink, Riverside county.

THE CITRUS MARKET
NEW YORK, Feb. 15.—Twenty-five cars oranges, two lemons sold. Oranges—Steady, unchanged. Lemons—Unchanged. Average—Oranges, \$2.01 to \$2.25. High—est—"Aurora," \$3.25. Temperature—53 degrees.

AUTO DUEL--2 DIE

SARAH BERNHARDT TO UNDERGO OPERATION TO CURE INFECTED KNEE

BORDEAUX, Feb. 15.—The condition of Mme. Sarah Bernhardt, who is suffering from an infection of the knee, is much improved today. The report that she had undergone an operation was premature.

Maurice Bernhardt, her son, declared that Madame Bernhardt would next Saturday submit to an operation which is expected to permanently relieve the injured knee.

OVER AGE, MAY NEVER SECURE POSTOFFICE AT ORANGE

Because he is over 65 years of age, James Fullerton is more than likely to lose the appointment to the postmastership at Orange.

He has the endorsement of the Orange County Democratic Central Committee. He has the good wishes and backing of the Democrats of Orange and those influential with the powers that be. But he is 72 years of age.

It appears that within a month after he took office, President Woodrow Wilson issued a general order to the postoffice department that no appointments be made of persons over 65 years of age.

That general order has put Fullerton's aspirations on the rocks. An attempt has been made and is still being made to drag the ship off the reef, but as yet the ship has not budged.

Knowing that Fullerton may never get the appointment, some four or five Democrats of the Plaza City's postal jurisdiction have jumped into the race with the hope of being named as postmaster, should Fullerton fail.

Until the age-limit rock was struck, Fullerton had plain sailing. After President Wilson and Congressman Kettner were elected two years ago last November, the Democratic County Central Committee proceeded to pass out endorsements for the important postoffice jobs in the county. Of the four big jobs, two aspirants have been named, J. P. Alliborn at Anaheim and C. D. Overshiner, who took charge of the Santa Ana office today.

James Fullerton, without opposition, got the unanimous endorsement of the central committee for the appointment at Orange.

The four-year term of Postmaster N. T. Edwards, a Republican, ended two weeks ago. Discouraging news for Fullerton began to arrive from Washington. Congressman Kettner was engineering the appointment, but came up against trouble in the office of the postmaster general. There it was learned that the President's general order against the appointment of persons over 65 years of age might not be overcome. Word to this effect was sent to Orange, and an effort to get by the obstacle was undertaken. Whether or not success will crown the effort remains to be seen, but it is admitted that the chances for Fullerton's appointment are slim.

Though 72 years of age, Fullerton in vigor and ability is far above the average man of 65. Physically he is strong. He is an enthusiastic golf player, and on the links makes two or three rounds a day and ends up far less wearied than a younger man who appears to be in good health and in the prime of strength.

But he is over 65 years of age. There and there only is where the difficulty lies.

When the situation became known at Orange, several Democratic war-horses proceeded to get busy. A. C. Fletcher of Olive, J. A. Smiley of West Orange and R. C. Dalton and R. C. Blythe of Orange are reported to be actively engaged in the pursuit of the job, which pays \$290 a month, and which they seek only on the proviso that Fullerton cannot get it. It is stated that Walter C. Pixley is likely to be an aspirant for the appointment.

It is believed that word will be received from Washington some day this week that will give the closing verdict on Fullerton's chances.

THESE are six of the seven Democratic senators who rebelled against the shipping bill President Wilson has been trying to put through: James P. Clarke, Ark.; Gilbert M. Hitchcock, Neb.; James K. Vardaman, Miss.; John H. Bankhead, Ala.; Thomas W. Hardwick, Ga.; James A. O'Govern, New York.

Most of them were opposed to the government going into the merchant marine business at all.

The fight of these senators was the first important contest in which President Wilson has engaged with the members of the upper house. The feeling against him there, it has been growing ever since he nominated for federal offices politicians in various states over the heads of the senators representing these.

SHIP PURCHASE BILL ADHERENTS DEFEATED IN TEST SENATE VOTE

WASHINGTON, Feb. 15.—The first test of strength in the Senate came this afternoon on the ship purchase bill, the advocates being defeated by a vote of 46 to 44. They attempted to jettison the Morris cloture amendment so as to permit a vote on the Reed motion fixing February 19 for the vote on the ship purchase bill. Morris' vote with the Republican bolters decided the day.

LAY OFF ON THE SAFE-CRACKING BUT STAGE HOLD-UP

Santa Ana's week-end safe and house-breaking burglars have added to their list of activities that of holding up people on the highways.

At midnight last night two men held up T. B. Caulfield on North Main street, north of the bridge, securing \$8.50 in cash, a watch, a ring and a stickpin.

Between the hours of 1 and 5 Saturday afternoon the house of Ted Cole, on South McClay street, was entered and a half a sack of flour, two cans of tomatoes, some soap and coffee taken.

It was reported to the police that one of the H. E. Johnson boys, living at 514 South Broadway, was knocked down by a man on Ross street last night. The man stopped the boy, says the report, and asked him for money. When the boy said he had none the man slapped him on the back, knocking him down. Nothing of the reported occurrence was known at the Johnson home, inquiry today revealed.

The fact that the hold-up on North Main occurred on a Sunday night leads to the supposition that the robbery was committed by the man, or men, who did the recent end-of-the-week safe-breaking jobs in this city recently.

Caulfield was driving along on North Main north of the bridge when two men appeared and stopped his buggy. One of the men held the horse while the other leveled a revolver at Caulfield and relieved him of his watch, a \$5 bill and three and a half dollars in silver besides a signet ring and stickpin.

Both men, Caulfield stated to the police, were of medium build, though one was smaller than the other. The bigger man was the one who held the revolver.

Caulfield's watch is described as a 17-jeweled open-face Waltham in a 2-year guaranteed case. The stickpin has a blue, star-shaped setting.

CLUE IS DEVELOPED TO SLAYERS OF RICH PAIR

OAKLAND, Feb. 15.—The police and three detective agencies are today looking for a "tall, dark man," supposed to be the slayer of Jacob Vogel, the wealthy banker, and his wife, Thursday. One man is supposed to have committed double murder. The police announced they have developed important clues which are kept secret, but promise important news soon.

SNOW 20 FEET DEEP
ON MT. SAN BERNARDINO
SAN BERNARDINO, Feb. 15.—Snow on Mt. San Bernardino is more than twenty feet deep, and on the slope out of Mill Creek the drifts have formed so deep that the forests of pine trees are buried and not even their tops can be seen from the Mill Creek road.

LIVERPOOL, Feb. 15.—The Cunarder Franconia arrived today without encountering German submarines. Extraordinary precautions were taken on the trip.

The Franconia sailed from New York February 6. Every night all the portholes and skylights were blanketed and only port, starboard and foremast lights were exposed. The lookouts were doubled.

Aside from lively speculation aboard as to whether the Germans would attack the ship, there was little evidence of fear. The Lusitania was passed off Fastnet Sunday morning going at full speed toward New York.

In the Irish Sea the Franconia was challenged every three or four miles by trawlers and scout ships, showing the thoroughness of the British patrol.

DEATH RACE FOLLOWS ON ATTEMPTED ROBBERY

CHICAGO, Feb. 15.—

Three men were shot early in the daylight hours today in a thrilling running gun fight between officers in a police automobile and bandits.

The death race followed an attempt on the part of bandits to hold up a saloon on Van Buren street.

Just at daylight an automobile dashed up to Puccetti's saloon and three men entered the place.

They forced the bartender under threats of death. The negro porter started to run and was shot. The bartender then attempted to take a shot at the bandits and was fired upon.

At this juncture the police arrived and the robbers fled. One bandit fell from the running board of the racing automobile and received injuries from which he will die. He gives the name of Thomas Ford. The others escaped.

The bartender was found to have been wounded in the temple by the last shot fired by the robbers.

The porter will die.

OVERSHINER NOW IN CHARGE OF POSTOFFICE

At 12 o'clock midnight last night the tick of the clock gave Santa Ana a new postmaster. He is Charles D. Overshiner.

At the same second Linn L. Shaw ended twelve years of service as Uncle Sam's man in charge of mails and postal business here.

Yesterday Overshiner checked over stamp accounts preparatory to the transfer, and this morning he took over the money order cash. When the office windows opened for business this morning he was in full charge of the office. His appointment is for a four-year term.

The out-going postmaster, a Republican, went into office twelve years ago. With the success of the Democratic national ticket two years ago it was recognized that a Democrat would get the job at the end of Shaw's four-year term. Overshiner, secretary of the Democratic County Central Committee, got the unanimous endorsement of the committee, and from the first was without an opponent for the appointment.

The change in the head of the office means no change in any of the employees of the office, all of whom, including the assistant postmaster, are under civil service.

DRY FEDERATION SPENT \$5664 IN COUNTY, SAYS FINAL REPORT

That \$5982.89 was received to carry on the fight for California Dry in Orange County was shown by reports submitted to the meeting of the Orange County Dry Federation at the Santa Ana city hall Saturday afternoon. Of that amount \$18.20 remains in the treasury. A large proportion of the money went to publicity. There was \$2426.53 spent in advertising in the newspapers and in procuring literature, and \$1958.27 went to workers, detectives and office help.

The reports were accepted by the federation. The question of continuing the present organization was discussed, and a decision was reached to continue it at least until the meeting of the State Dry Federation, which will be held at Fresno on June 26.

The financial reports follow:
The secretary's report of the summary of the records of the Orange County Dry Federation, to and including December 31, 1914, follows:

Receipts
As per Treasurer's report
Supervisory District, No. 1, \$2249.15
Supervisory District, No. 2, 607.80
Supervisory District, No. 3, 1231.43
Supervisory District, No. 4, 851.64
Supervisory District, No. 5, 729.12
From unknown districts, 215.12
From Orange Co. W.C.T.U., 25.00
Warrant credits, 73.59

Total receipts, \$5982.89

Disbursements
Office supplies and unclassified incidentals, such as rents, telephone, street signs, furniture, stationery, telegrams, legal advice, express, etc., \$ 579.15
Transportation, including lumber to picnic for seating, auto hire in the different parts of the county, expense and repairs of auto used by the president in field work, etc., 345.65
Advertising and literature, including a daily paper in over 600 homes for 90 days, and in over 7000 homes for 20 days preceding election, about 90,000 pieces of single literature, including Captain Hobson's speech to each voter, 2426.53

Labor, including individual workers and helpers, detective service, stenographers and salaries, 1958.27
Speakers, such as Bishop Hughes, Dr. Matt Hughes, Dr. Coyle, Tillman Hobson and Captain Hobson, 279.75
Donation to state office, 229.09
Music, such as Santa Ana band, Hall colored quartet, and Prof. Heath, vocalist, 146.25
Cash balance in bank, 18.20

Total, \$5982.89

Auditor's Report
We, your auditing committee, have carefully compared each warrant and

BULLETIN

SOUX CITY, Ia., Feb. 15.—The worst blizzard in years is raging throughout South Dakota today. Several trains are reported stalled in snow drifts five to ten feet high.

(CONTINUED ON PAGE 6)

OBJECTING TO DIVERSION OF THOSE RIVERS

San Pedro Says Flood Control Project Would Hurt Its Water Supply

Those in Los Angeles county who want to divert the waters of the Los Angeles river and Rio Honda into Alamitos Bay in Orange county are finding some opposition to their scheme in their own county. San Pedro opposes the plan on the ground that those rivers supply an underground basin from which water is pumped to supply San Pedro, and that the diversion of the rivers would take away the feeder for the subterranean reservoir.

According to the Los Angeles Examiner, the Harbor Commission of Los Angeles Saturday became very much exercised over the position taken by the San Pedro Chamber of Commerce plans.

NO HEADACHE OR NEURALGIA PAIN

Get a 10 cent package of Dr. James' Headache Powders and don't suffer.

When your head aches you simply must have relief or you will go wild. It's needless to suffer when you can take a remedy like Dr. James' Headache Powders and relieve the pain and neuralgia at once. Send someone to the drug store now for a dime package of "Dr. James' Headache Powders. Don't suffer! In a few moments you will feel fine—headache gone—no more neuralgia pain.

ken by the San Pedro Chamber of Commerce plans. Captain Charles T. Leeds is now in Washington endeavoring to obtain the co-operation of the Government Board of Engineers in the carrying out of the flood control project for the Los Angeles county rivers.

Saturday by wire Captain Leeds informed the Harbor Commission that the San Pedro Chamber of Commerce has filed its protest with the government engineers and that the same is apt to injure rather than help the Outer Harbor.

The Telegram In his telegram Captain Leeds said: "San Pedro Chamber has filed protest against diversion of the Los Angeles river. This is most short sighted as their objection is groundless and failure to protect the Inner Harbor will in fact injure rather than help the Outer Harbor. Confer with Hawgood; suggest if San Pedro can be persuaded to withdraw protest; strong statements should be submitted by the Harbor Commission and other city bodies.

Protest Is Formal The San Pedro Chamber of Commerce may refuse to rescind its formal protest made to the United States Board of Harbor Engineers against the diversion of the waters of the Los Angeles River. The protest was made as it was believed by San Pedro that it would affect the water supply of the harbor district.

Richard Quinn, president of the San Pedro Chamber of Commerce, in commenting upon the telegram of United States Engineer Leeds, requesting the harbor commercial organization to withdraw its protest, said: "Until we are assured that the proposed diversion of the Los Angeles river will not affect the water supply of San Pedro we will stand pat. We have no objection to what Los Angeles authorities may do with flood waters of the river, but we do object to the doing of anything to the normal water supply, as the river supplies the basin from which the water of San Pedro is pumped."

Building permits were issued Friday and Saturday for a total of \$3200. Both permits were for residences, as follows: R. L. Fogler, South Grand, \$1600; W. A. Ralph, South Cypress, \$1600.

ORANGE EXERCISES ON BIRTHDAY OF GREAT LEADER

ORANGE, Feb. 13.—Lincoln's birthday was a memorable occasion at the Orange High School Friday when the afternoon session was devoted to exercises in honor of the day. Besides the entire student body and other outside visitors, the exercises were attended by the G. A. R., W. R. C. and D. of V. in a body.

A patriotic and very pleasing program was given in the assembly hall. It opened with an orchestra selection followed by a mixed quartet number. Miss Ruth Collings gave a splendid reading and Elden Farrar sang the old song, "Tramp, Tramp, Tramp," while the audience joined fervently in the chorus.

M. M. Fishback of the faculty then introduced E. J. Leggett, past commander and patriotic instructor of the G. A. R. Mr. Leggett in turn called on his comrades, Commander P. A. Johnson, C. C. Stoner and Elwood Coate, with Mrs. S. R. Smith of the W. R. C., all of whom gave reminiscences of war times. Mrs. A. D. Bishop of the Daughters of Veterans followed with a very interesting reading, and Mrs. I. D. Mills, who with Mrs. S. R. Smith saw service as a nurse in the war, closed the program with more war stories.

The patriotic orders paraded to and from the school in a body, with flags flying.

Mrs. E. H. Durbin of South Center street was hostess last evening at a birthday affair in honor of her children, Helen and Frederick, and also Miss Rowena Rensler, who assisted her in entertaining. The three birthdays came within a few days of each other.

The party was a brilliantly featured affair, planned in Valentine style with a color scheme of red and white. Paper hearts were the predominating decoration.

After a very pleasant evening of social pastimes, the guests were served with refreshments. The tables were a pretty sight, bearing the three large

birthday cakes, surrounded by candles, and decorated with smilax and red hearts. The menu included ice cream, cake, salted peanuts, punch and candy. Miss Helen had supervision of the list of girl guests, while Master Frederick compiled that of the boys. Those present were as follows: Florence Pixley, Frances Scarritt, Gene Dennis, Maurine Keller, Helen Hall, Edna Ward, Ruth Richter, Ruby Biggs, Hazel Stinchfield, Eugenia Lee, Evelyn Musbach, Maybelle Edwards, Marguerite Peers, Beverly and Josephine Smith, Dorothy Guthrie, Cornelia Kirkpatrick, Lota Blythe, Alice Adams, Helen Durbin and Rowena Rensler; Roy Edwards, Neal Granger, Harold Foster, Roch Bradshaw, Joe Eastin, Chas. Buxton, Irving Eisenbraun, Lyle Richards, Morton Bishop, Arthur Warner, Norville Moore, Russell Bollinger, Walter Glesener and Frederick Durbin.

Mrs. W. H. Flippin and Mrs. F. C. Drumm entertained the Philathea class of the Presbyterian Sunday school last evening at the pretty home of Mrs. Drumm at 50 North Orange street.

A pleasant evening was spent with various games, and later the guests were served with refreshments consisting of lovers' delights and cake.

The following were present: Mr. and Mrs. C. E. Lush, Mr. and Mrs. A. R. Hoefler and daughter, Ruth, Mr. and Mrs. Lucien Flippin, Mr. and Mrs. Henry Campbell, Mr. and Mrs. Earl Campbell, Mr. and Mrs. Chas. Connes, Mr. and Mrs. Clifford, Misses Ethel Teel, Ann Williams, Jane Williams, Susie Campbell, Mary Robertson, Mabel Haynes, Beatrice Cole, Elma Campbell, Fenton, Post, Mabel Parker, Margaret Kruckshank, Jeffie Flippin, Bertha Youngs, Pearl Cutright, Luella Cutright, Mrs. White, Mrs. Waldorf, Messrs. Jack Fletcher, John Shaw Stevenson, Lou Williams, E. C. Drumm, W. H. Flippin, Thomas M. Fishback, J. D. Spoor, Leonard Cole, Earl Wood, Marion Drumm, Stephen Michael, Scott, and the hostesses, Mrs. Flippin and Mrs. Drumm.

News Notes Miss Grace Nuffer of Whittier is here for a visit with various friends.

Miss Loreta Cole of Los Angeles was a guest of Miss Hilda Kirchoff of East Almond avenue for the last week. She returned home this morning.

Mrs. Charles Winans and sons Donald and Carl of Santa Ana spent yesterday with her sister, Mrs. Carl L. Conway, on East Collins avenue.

Mr. and Mrs. C. J. Porter spent yesterday in Los Angeles.

Charles Lighthall of Lindsay arrived yesterday for a visit with his mother, Mrs. F. E. Lighthall, on East Chapman avenue and other relatives in this vicinity.

Mr. and Mrs. Evan Davis, Mr. and Mrs. W. W. Parsons, H. H. Wheeler and John L. Wheeler attended the Wisconsin picnic at Sycamore Grove, Los Angeles, yesterday.

The visitors in Los Angeles today were: Misses Della and Carrie Chandler, Mrs. V. L. Chandler, F. W. Parsons, Mrs. C. L. Sorenson, Mrs. R. W. Riddle, Mrs. H. W. Allen, A. Dittmer, Dr. John Adams, Miss Catherine and Clarine Pogue, J. E. Parker, Joseph Pollock.

Mr. and Mrs. Alfred Higgins went to Highland Park this morning to visit Mrs. Higgins' mother.

Mr. and Mrs. Harry Harris left this morning for St. Louis, Mich., where they expect to make their future home. William Klug and William Schmidt of Milwaukee, Wis., arrived in Orange yesterday and will spend some time with their old friend, August F. Leichtfuss. Mrs. Schmidt will join her husband here next week.

J. H. Wilke made a trip to Newport Beach yesterday.

Mrs. M. Hutchinson, Miss Floe Hutchinson and Earl Hutchinson motored to Balboa this morning to view the storm damage.

P. W. Ehlen and Henry Eggers made a motor trip to Long Beach yesterday.

Mr. and Mrs. C. Habener, Miss Habener and Mr. and Mrs. V. L. Hammond enjoyed a motor trip to Newport and Balboa today.

H. H. Wheeler and family were beach visitors at Balboa this morning.

GARDEN GROVE PRETTY SHOWER IS GIVEN TO BRIDE BY HER FRIENDS

GARDEN GROVE, Feb. 15.—On Saturday afternoon the home of Mr. and Mrs. S. S. Jackson was the scene of a pretty shower in honor of Mrs. Willard Cain (nee Helen Jackson), when about twenty-five of her friends gathered to surprise her with beautiful gifts of china, glass, linen and various other articles and wish her happiness in her wedded life.

The house was a dainty bower of pink and white. The rooms were canopied in streamers of pink and white crepe paper dotted with hearts and long strands of pink hearts gracefully looped about the room added to the daintiness. The lights were softened by pink shades. The center of attraction was the dining table draped in a snowy covering dotted with pink hearts and laden with packages. Above the table suspended from the dome, was a white parasol also dotted with pink hearts, and from it, streamers of pink and white floated around the table. The parasol was also found to contain packages.

Refreshments of chocolate and cake were served. Those present were Mesdames Willard Cain, J. Jain, S. S. Jackson, J. T. McElree, W. W. Hull, Frank Anderson, Seth B. Reid, S. Sandman, Elmer Landers, Arthur Schmitt, Elmer Coplin, Monte Preston, Reburn, Misses Connie German, Olive Newcomer, Leila Chaffee, Lucy Eastman, Pearl C. Crutchfield, Laura Morrill, Mildred Edwards, Clara Steele, Georgia Tournet, Gertrude Morgan, Lora Holt, Lila Crane, Onita Cain and Master Homer Cain.

Last week Miss Esther Hedstrom entertained the post graduate class of the Anaheim high school at a five course dinner in honor of her brother George. The class colors, blue and gold, were used in the tasteful decorations. The evening was spent in music and social

TURN HAIR DARK WITH SAGE TEA

If Mired With Sulphur it Darkens so Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.—Advertisement.

MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach fairs, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Advertisement.

ECONOMY BUILDS HAPPY HOMES

Economy in the home is best brought about thru the influence of the check-book.

Pay house bills by check. Every check is a receipt—and living expenses may be kept in a systematic manner.

Women will find a bank account a great convenience and especially an account in this bank, where special attention is given to their business. Any information gladly given by our officers.

NEWPORT BEACH

BUILD GROYNES TO PROTECT BEACH

That is the Recommendation Made by Engineer to Newport Beach Council

Newport News: We believe that the city trustees are fully alive to the necessity of losing no time in adopting measures for restoring the walks and beach that have been carried away by the tides and swells this winter. While only two houses on the beach have been rendered uninhabitable by the storm, the damage done to walks along the ocean front has been great and a big sum of money has been spent by the property owners to protect their houses from the ravages of the sea. That the ocean has been more destructive this winter than for twenty-four years and the fact that even now it has done less damage here than at other beach resorts is no reason why there should be the slightest delay in replacing what damage has been done. The board has acted wisely in getting the advice of former U. S. Engineer Leeds, who should be better qualified than any man in Southern California to advise as to the proper method of protecting the beach from further inroads of the ocean. His recommendation that groynes be built should be given a fair trial in the neighborhood of 27th street and also near Senator Ball's house at Balboa, these being the two spots where the ocean has caused the most damage.

Engineer's Report

The following is that part of the report submitted to the city by Leeds & Barnard, the firm of engineers employed by the city to submit plans for beach protection. A detailed report is also given here by the engineers as to the causes of beach erosion, which is too lengthy to be given here and which is all more or less familiar to people living on the beaches. The report, which was read in person by Mr. Barnard of the firm, at the meeting, is as follows:

"It is our opinion from our observation of the physical conditions at Newport Beach that the first work that should be done is the construction of

COLDS CONSTIPATION HEADACHES

"Keep your Feet warm, Head cool, Bowels open," and take Foley's Honey and Tar Compound.

Sneezing, chilliness, fullness in the head, sore throat, hoarseness, coughing and headache call for the use of FOLEY'S HONEY AND TAR COMPOUND.

Remember that neglect of a common cold only too often develops into pneumonia, pleurisy and even tuberculosis.

The first dose of FOLEY'S HONEY AND TAR helps you, because it spreads a healing soothing coating on the raw mucus lining as it slides down your throat.

Constipation sometimes precedes a cold, and usually accompanies it. FOLEY'S HONEY AND TAR COMPOUND is mildly laxative which makes it greatly the superior of those cough and cold remedies that produce a costive effect.

MRS. A. N. MOTES, Berzella, Ga., writes: "I took a deep cold and suffered with a terrible headache from the effects of it. I began taking FOLEY'S HONEY AND TAR, and it soon entirely cured me."

L. POOLE, Sioux City, Ia., says: "My daughter had a very severe cough and cold, and one bottle of FOLEY'S HONEY AND TAR knocked the cold in no time. My wife would not keep house without it."

Do not accept any substitute for FOLEY'S HONEY AND TAR COMPOUND. It is the best medicine of its kind that you can buy, and any substitute offered can not give you the same true results that FOLEY'S HONEY AND TAR COMPOUND will give. Contains no opiates or harmful drugs.

groynes at the most damaged points, together with a timber bulkhead at the high tide line.

"When the construction has demonstrated its efficiency, it will be time to extend this work to portions of the shore not yet affected, but which may be damaged in future storms, or by reason of conditions arising in the future, such as the construction of other artificial projections from the shore, or even the slight change or deflection of currents caused by projection work put in at damaged portions of the beach.

"We do not recommend a permanent masonry sea wall at this time, inasmuch as the expense would be much greater than timber construction, and it is not advisable to determine the permanent line of sea wall construction until it has been demonstrated that the beach can be maintained at or about its present level.

"The cost of these groynes will be about \$1.95 per lineal foot, if untreated lumber and piles are used, with piles eight feet apart from center to center and 4x12 timbers used for the strakes of the groynes. The cost of the same construction with creosoted material would be about \$2.85 per lineal foot. On the assumption that these groynes are 150 feet long, the cost per groyne would be about \$300, and, again, if they are spaced 300 feet apart along the beach, they will cost \$1.00 per lineal foot of beach, or \$5,280 per mile.

"A bulk-head on the high tide line, consisting of 24-foot piles, 8 feet center to center, with double 8x8 walling strips, supporting 8x12 sheet piling, built up of 8x12 lumber to make tongue and groove construction, and tied back at every alternate pile by 7/8-inch iron rods to a 20-foot anchor pile, will cost about \$8.50 per lineal foot of beach, or \$44,800 per mile.

"In view of all the above, and in conclusion, we would recommend that the city determine what amount can be expended on this protective construction at this time, and use this amount in such a way that it will afford the greatest protection.

"This money should be used for the construction of groynes and bulk-heads along the most seriously damaged portions of the beach, leaving the bulk-head and other groynes to be put in later under additional appropriations, as may be deemed expedient.

"There is no fixed rule for the length of groynes or their distance apart. For the sake of economy it is advisable to place them further apart than may be considered to be the most effective distance, rather than too close together, adding groynes later as the effect of the original construction is shown. Doubtless that portion of the beach between 25th street and 36th street should be immediately protected by groynes, and if the funds can be appropriated by a bulk-head covering the same length of beach front. Groynes should also be placed where the heavier damage occurred at Balboa.

"Before the exact length and position of groynes can be determined, it will be necessary to make a survey to determine the location of high and low water lines, the contour of the beach, and that portion of the ocean bottom immediately seaward of the shore line insofar as it affects the local currents and wave movements.

"This survey should be undertaken promptly if there is a prospect of the work being authorized, as it will be

necessary to do more or less hydrographic surveying and observation of currents, which latter is of particular benefit in direct proportion to the length of time over which the observations may be had.

"Respectfully submitted,
LEEDS & BARNARD,
By Chas. T. Leeds,"

Sidewalk Grades

A heated discussion, in which every member of the board took an active part, was precipitated when the question of grades was brought up by Trustee S. R. Jumper. As several adjoining walks in the city have been constructed at different grades, Chairman Parkinson demanded an action by the board, in which a standard grade would be established for the ocean front and also the bay front, and a motion was made that Attorney Clyde Bishop be instructed to draw up an ordinance to that effect, making the ocean front grade 12 feet and the bay front grade 7 feet and 8 inches.

Street Lighting

One of the most serious problems which the board is endeavoring to solve is the time of completion of the lighting system on the ocean front where the damage has been done by the recent high tides. The Engstrom Company estimates that the balance of the work, which cannot be done at the present time, is only about 7 per cent, and any refund which they could make would not be worth considering. Mr. Clyde Bishop and Mr. H. Clay Kellogg were delegated to interview the company and learn what could be done in holding the work up until some protection could be given to the lights on the ocean front.

STOP THE CHILD'S COLDS THEY OFTEN RESULT SERIOUSLY

TUSTIN CHILD IS STRUCK BY MOTORCYCLE

Small Piece of Bone is Chipped From Boy's Skull; Injury Not Serious

Thrown to the ground when he was struck by a motorcycle, Roger Walterhouse, seven-year-old son of M. G. Walterhouse, Tustin, sustained a severe scalp wound yesterday on Main street, near D. Tustin. A small piece of bone, about a quarter of an inch in thickness, was chipped from the boy's skull, rendering him semi-conscious. He was also bruised about one of his arms and legs.

Young Walterhouse was returning to his home from Sunday school. He walked in company with a number of other boys. When near D street on Main, about to turn to go to his home, a motorcycle ridden by Raymond Liggett, approached rapidly and before the boy could get out of the way he was struck. The screw of a bell on the motor struck the lad, throwing him to the ground.

The boy is rapidly improving today and will be entirely recovered in two or three days.

FULLERTON CLUB WINS A FAST BALL GAME

FULLERTON, Feb. 15.—A splendid crowd Sunday afternoon witnessed the defeat of the Los Angeles Exposition team by the Fullerton club, by a score of 5 to 4. Callan's two-bagger in the eighth inning, bringing in three men, won the game.

At a meeting held Friday night, Peter Hax, Ed Goltzer and C. A. Roe agreed to act as trustees for the local ball team for 1915. Goltzer will act as treasurer and Hax as secretary. Articles of agreement were drawn up and signed, and accepted by Sam Johnson as manager, as to the club's expenses, funds, and modus operandi.

TALBERT THREW DISTILLATE ON FIRE; RESULT IS SERIOUS BURNS

Part of Land Near Santa Ana River Was Under Water Awhile

TALBERT, Feb. 15.—Last Monday H. Enomoto, a Japanese boy who lives on Mr. Hogan's place, about two miles northeast of Talbert, was starting a fire in a wood stove and poured some distillate on it. When he set the match to it, there was a blaze that covered his body. His face was very badly burned, so that it was necessary to take him to Dr. Violett's private sanitarium at Garden Grove. As the wind was blowing very hard the house caught on fire and was completely destroyed.

After the river channel was worked on last fall, it was thought that it would hold the water easily. Thursday it broke over at First street and the section of country between here and Bolsa has been covered with water. However, no considerable damage was done.

The prospects are good now for a fine crop. Most of the beets are up and will soon be ready for cultivation. The boulevard crew has not been able to do any work for several weeks on account of the roads. However, it expects to make up for all lost time when the weather clears off.

On account of sickness J. E. Pettit of Venice has been forced to give up his position with a firm in Los Angeles and take a rest. He is moving this week to Talbert and will occupy the house formerly occupied by H. Matthews.

Annie Crist of Santa Ana visited her parents, Mr. and Mrs. J. H. Cox, last Sunday.

Mrs. H. B. Parks is spending this week visiting friends and relatives in Los Angeles.

Earl Carter and wife went to Long Beach Friday to visit relatives for a few days.

C. C. Waldrep and family of Santa Ana were visitors at the parsonage last Thursday.

C. F. Sard and wife spent last Sunday visiting relatives in Long Beach. Mrs. J. J. Townsley and children are spending this week with her sister, Mrs. J. E. Barker, at Westminster.

Last Friday afternoon there was a meeting at the Swift Garage to organize an improvement association.

The Epworth League social that was to have been had at Mrs. A. W. Walker's home last Friday night has been postponed until Friday night of the 19th.

S. E. Talbert went to Los Angeles Friday on a business trip.

A. W. Walker was a passenger to Los Angeles Friday on business.

Miss Edith Webb of North Dakota is visiting her aunt, Mrs. A. Steffanz.

THE MODERN LENT
The Lenten observance of today is a typical instance of the softening down of modern times. Some would call it the enervation of the present period. With many people the Lenten observance is simply the trading off of one amusement for another. If they drop dances during the fasting period, they are likely to make it up by more card parties or visits to the theater.

That Lent is a benefit to the devotees of high society will be admitted even by the most bigoted antagonists of the churches.

In these circles a daily and dizzy output of balls, receptions, teas, and cards is turned out as seriously as if this were real life. It has all the nervous strain of hard labor, without the tonic effect and human interest of any real service. No wonder that the people who live this life are chronic sufferers with nervous prostration. Lent at least stops the furious pace of the game for a few weeks.

For people of the more intense type of faith, the act of fasting is felt to have peculiar virtues. Life to them is a gross and fleshy thing, the soul continually hobbled by the coarse and carnal body, with its eating and drinking, the lust of the eyes and the flesh. From that point of view, the abstention from physical pleasure is purifying, even if bodily weakness follows.

TIEDE ARGUES IN FAVOR OF A HEAVIER ROAD SURFACING

Editor Register: "Why the roads are not durable" and "Why the surfacing is flimsy and temporary."

The Good Roads Commission, in answer to the request of the Taxpayers' League for a better surfacing material (than was used on the roads as now constructed), claimed that the League offered no evidence to back up its claims.

In order to furnish this evidence I submit the following: There is a sample of the surfacing material now used on exhibition at the Cadillac Garage, to which I invite attention. This sample was taken from the Newport road from Newport to Santa Ana. These samples speak for themselves; they show that the material is brittle and not of a consistency to stand the traffic of an ordinary road; that the surfacing does not stick to the base of the road and that for the lack of adhesion it is readily taken up by the wheels and thus exposes the base to the traffic, and by so doing, soon wears out the road.

But the most conclusive evidence is an examination of the road itself. I learn that the Board of Supervisors intend to make a personal examination of the roads.

If so, I invite them to go with me and I will show them places in this road where they can pick off the top dressing with their hands and where they can take a spade and dig up square yards of it. And this within five months of their construction. This road is not yet five months old and has already been repaired.

The voting of these bonds has been the most important matter ever decided by the people of the county; there is more money invested than in any other measure ever adopted.

It is not only the \$1,270,000 bonds and the result enables one to see through this veil of sense into the real and vital spiritual world around us.

Most of us can not rise to this level. People are hurried and driven by daily cares, and the wider visions are clouded and blurred. Lent brings many people into the churches, where for a little they are reminded that life is not all making money and keeping house and going to picture shows.

For the ordinary person, acts of real service to the world seem the most practical use to be made of this season of religious observance.

Revival Services
Revival services are being conducted by the Church of the Brethren at the corner of Lacy and Fifth streets, with Elder A. C. Snowberger, who lives near Anaheim, in charge. Song services begin each evening at 7:15 o'clock, preaching following the singing.

COLLISION
John Burrell, an employee of Tony's Cafe, was run into by a Santa Ana Wholesale Grocery wagon driven by Bob Patton, at the corner of Fourth and Sycamore streets and considerably bruised, Saturday. It is stated that Burrell was riding a bicycle on the wrong side of the street and that in trying to dodge the team he slipped and fell under the wagon wheels.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 253.

that have to be paid, but the interest on these bonds amounts to more than the principal. By the time the bonds are all paid the bonds and interest will amount to more than two and one-half million dollars.

At present the annual payment of the bonds amounts to \$32,000 and the interest is \$65,500, and it costs the taxpayers of the county two hundred and sixty dollars every day in the year to foot the bill.

Under these circumstances, with so large an amount of money at stake, the greatest care should be taken that this money be properly invested, it certainly should not be invested, in experiments.

And, in the light of conditions as they exist today—with the fact before us that the roads as constructed need repairs four months after construction, with conditions existing as above referred to, there is no question but that the roads as now constructed are not "durable and lasting," but, on the contrary, they are "flimsy and temporary and not permanent."

If there were no method known of top dressing the roads in a permanent manner there might be some excuse for using the method now used; but, there is a better and a permanent method known and that is the asphalt covering.

This has been thoroughly tested, not only in Santa Ana, but all over the country. It has been tested and not found wanting. It is a significant fact that every foot of street paving in Santa Ana is covered with asphalt.

Experience with the two coverings in question has shown that the one is durable and lasting and the other is flimsy and temporary.

There should be no trouble, under these circumstances, to adopt the better one of the two.

A. C. TIEDE.

SCHOOL BOARD MEETS: RESIGNATION ACCEPTED

At the monthly meeting of the Santa Ana Board of Education Saturday the resignation of Miss Mary Buerger as teacher of Spanish in the high school was accepted. Her work has been divided among other teachers, and no appointment of a successor will be made.

Text-books for forging, advanced mechanical drawing and chemistry were adopted.

SAN BERNARDINO IN WAR ON DIRT TODAY

SAN BERNARDINO, Feb. 15.—The city beautiful and clean-up campaign started this morning with \$1000 for prizes. The idea was originated by the Realty Board. Citizens contributed to make up the purse. The prizes will be distributed for best gardens, neatest vacant lots and a committee of florists has been secured to give suggestions to contestants.

CHARTER DEFEATED IN ELECTION AT RIVERSIDE

RIVERSIDE, Feb. 15.—The proposed county charter was defeated by a vote of 7 to 1. In the city about two-thirds of the registered vote was cast on the proposition. In the twenty-eight precincts the vote was 3491 against to 540 for. In the West Riverside precinct the vote was 84 to nothing against the charter. At Corona the charter carried.

DES MOINES GOES DRY; CITIZENS STOCK UP FOR LONG, LONG DRY SPELL

DES MOINES, Feb. 15.—All saloons in this city will close to-night and the city will go dry under the new local option law.

Wagons were busy all day today carrying cases of beer, whiskey and wine to the residence districts. Many citizens are "stocking up" for a long dry spell.

The city goes dry under agreement between the saloonmen and Mayor Hanna, made following the passage by the State Senate of a resolution submitting to the people the prohibition amendment. The measure is certain to pass the House.

\$650,000 IN BONDS OF SAN BERNARDINO TO BE ON SALE TODAY

SAN BERNARDINO, Feb. 15.—The first \$500,000 installment of the \$1,750,000 county highway bonds will be sold by the Board of Supervisors today and at the same time \$150,000 hospital bonds. County officials expect half a dozen bids.

GREAT THROG AT SAN GABRIEL MISSION PLAY

SAN GABRIEL, Feb. 15.—A record-breaking crowd at the Mission Play enjoyed San Gabriel yesterday. Upwards of a hundred automobiles were parked in the official parking place, and it was noticed that eight states and one foreign country were represented, and also that with four exceptions all were high-priced cars.

—Dr. J. W. Shaul, 417 Hollingsworth Bldg., Los Angeles, in Santa Ana office Wednesday and Saturday afternoons, 1 until 7:30 p. m. Eye, ear, nose, throat and fitting glasses.

Pre-Opening Sale of Lots in Polytechnic Villa Subdivision
We have taken the exclusive selling agency of this subdivision, and for a limited time can offer a small number of lots in this restricted district at a great discount, upon easy payments with low rate of interest. The sewers, water and gas are already in, and these lots will be sold with a guarantee from owners that streets will be graveled and oiled, that all sidewalks and curbing will be built, that parking will be completed and that trees will be planted.
While Improvements are being completed
20% discount from list prices
0% will be given to the first ten persons buying lots!
For the purpose of securing the erection of a few houses:
40% discount from list prices will be given to the first five persons buying lots on which houses are erected within ninety days from date of purchase.
All lots in this entire subdivision will be sold under restrictions, which means that the POLYTECHNIC VILLA SUBDIVISION will soon become one of the best residential districts of Santa Ana, and under this very liberal proposition anyone desiring a home can secure it with a cash payment of only 60 per cent of value of lot and a monthly payment very little, if any, more than rent.
To persons desiring to make a quick profit on a small investment, this is their chance if they come in time. We will be pleased to show these lots with auto and explain terms of payment at any time.
If purchaser pays for lot and has not the money to build a house we will loan the funds necessary on easy monthly payments.
Holmes Loan & Realty Co.

BIRTHDAY CELEBRATION

Four Generations Represented at Surprise Complimenting Popular Santa Ana Man

Saturday evening at 7:30 o'clock about fifty people quietly gathered at the corner of Orange and Carnelia streets, and, under cover of darkness, proceeded in a body to the residence of J. E. Kellogg, 621 Orange avenue, and completely surprised that gentleman, informing him that his birthday formed a pretext for this unexpected avalanche of relatives, friends and neighbors.

The crowd at once took possession of the home, and having brought on automobile-load of chairs with them, were soon comfortably seated, the good things to eat having been deposited in the kitchen to be looked after later.

A previously arranged program was put into effect, with George R. Smith in charge of ceremonies. Four splendid addresses were made upon the "Life, Character and Influence of Abraham Lincoln" and his Gettysburg address was read by J. A. Henderson.

The company was then formed into "theatrical groups" spelling the word "birthday" and each division was called upon to contribute an original "stunt." This part of the program was very amusing. The rendition of "Tipperary" by Messrs. Galloway and Smith, caused a storm of applause, the audience joining in the chorus.

The geography of the country was reviewed, at length, in an appropriate game and, dividing the merry crowd into couples, a Valentine proposition was next in order. Miss Rosaline Kellogg also contributed her share to the evening's entertainment by reciting a beautiful Indian poem.

Refreshments were enjoyed and the honoree of this happy celebration, Mr. Kellogg, was presented with a beautiful silver preserve spoon and showered with wishes for many happy successive birthdays.

The singing of the 23rd Psalm and a prayer by Dr. Kennedy closed the pleasant evening.

Among those present were the mother and sister of Mr. Kellogg, his two sons, their wives and little baby, Eva-line, representing four generations of the Kelloggs.

—
Reciprocity Day at San Bernardino
"Reciprocity Day" will be celebrated by the San Bernardino Woman's Club February 17, and all members of the Santa Ana Ebell Club are invited to be present.

A studio tea will be given at 2:30 o'clock, at the club house, when Miss Georgianna Strauss, the noted grand opera singer of Redlands, will sing. Admission will be made through Ebell membership cards.

CLEVER ENTERTAINMENT

Members of C. E. Society Take Delightful Trip to Catalina Island

The Christian Endeavor Society of the First Presbyterian Church has a membership of earnest and enthusiastic workers, who believe in having plenty of good times mixed in the right proportions with their service, and Saturday evening an especially delightful social was enjoyed by sixty of this society.

"A trip to Catalina" had been planned by the entertainment committee, and from the minute the merry company crossed the "gang-plank" the voyage was filled with exciting experiences pleasantly marked by the absence of the usual sea-sickness.

Arriving at their destination the company visited the various points of interest on the island, a climb to Sugar Loaf, a ride to Seal Rock and the submarine gardens being cleverly introduced.

Of course the band concert, which no traveler to Catalina ever misses, furnished its share of entertainment, the musicians depending upon the gratification for the melodious strains which they were unable to bring forth from their miniature orchestra paraphernalia.

The company had been divided into groups in order to plan the "stage-setting" for this interesting outing, and, as the various bands vied with each other in contributing a "stunt" unusual, the success of the entertainment was assured.

A "movie" program was highly enjoyed, the improvised screen throwing interesting sidelights on characters heretofore unsuspected of having theatrical talent. A lovely duet given by Mrs. F. A. Moesser and her daughter, Miss Freda, and a beautiful whistling solo by Miss Katherine Tibbitts were highly enjoyed, these contributions giving to the "vandeille" program unusual charm.

A call to the gentlemen to try their luck at fishing found partners for all and the invitation to a barbecue on the isthmus was gratefully accepted.

The dining room of the church had been artistically decorated for this final stage of the week-end outing and around the long tables gleaming with rosy candles, the travelers enjoyed a menu of clam chowder, sandwiches, olives and coffee, which refreshed them after their strenuous travels and pleasantly closed the evening's entertainment.

Meeting of Book Review Section

The postponed meeting of the Book Review Section of the Ebell Club will occur Tuesday evening at 7:30 o'clock at the home of Mr. and Mrs. Walter Tedford of North Broadway, at which time Mr. A. J. Crookshank will review H. G. Wells' book, "The World Set Free."

Luncheon at Taylor's

Mr. and Mrs. F. G. Taylor of 1663 East Fourth street entertained their guests, Mr. and Mrs. R. S. Marple of San Gabriel and Mr. and Mrs. Spaulding of Rockford, Ill., at luncheon at Taylor's Confectionery Saturday. Jonquils and asparagus ferns decorated the table where an appetizing repast was enjoyed.

THAT DOLLAR SOCIAL

Amphion Circle Spends Delightful Afternoon and Adds Neat Sum to Treasury

The Amphion Circle held its third social meeting at the beautiful new home of Miss Jane Humphrey, 1406 North Main street, Saturday afternoon. The house was artistically decorated throughout with yellow flowers.

After Miss Humphrey played several charming selections on the piano, all present were given cards and their memories taxed to reproduce all that was printed on a dollar. Miss Ada O'Brien then told in a very interesting manner, the history of the dollar. The first dollar was coined in Philadelphia in 1792 and made the unit of measure. In 1866 the motto "In God We Trust" was added.

An original tribute to Amphion was beautifully given in verse, by Miss Buelah May, then each member was asked to give, in rhyme, how she had earned her dollar. There were short poems, long poems, sad poems and joyous poems, all so good that it was a difficult task assigned to the committee to choose the greatest poetess of the circle. Mrs. Schrock was voted the victorious poet and presented with a bouquet of daffodils. This was her contribution.

A Dollar Social? My, what a sum To a poor housewife who hasn't one! Earn a dollar? An arduous task! "What can I do?" I vainly did ask. An original poem, to tell how I did it? For long days and dark nights did I worry and fidget.

But Mother Necessity showed me the way— And here is my dollar, right here do I say.

And this is the process by which I acquired This coin of the realm and the back that is tired.

My husband wears shirts and he likes them clean; And he sends them out to be done by machine.

So spake I, in tones like peaches and cream, "Don't you think it's wasteful to do that, honey?"

I'll do up your shirts and save that money." "A splendid idea," quoth he, "that's fine. You do the work and the money be thine."

So I laundered the shirts to the number of three And he gave me a dollar as you plainly can see.

"But never again," said that husband of mine, "My purse is too small for work that's so fine."

So next week just 'phone for the wagon to come, They do a fair job for a much smaller sum."

"Dollar snap" was then played by the ladies, and partners were secured for refreshments by matching U. S. of similar dates.

Delicious Spanish pudding with whipped cream, yellow and white cakes and mints were served.

Mrs. Fred Howland, president, announced that the receipts for the afternoon and money collected during the week, added \$35 to the Amphion treasury, and, after hearing this splendid report, the society adjourned, feeling that they had had a delightful as well as highly profitable afternoon together.

—
Parent-Teacher Association
The Fifth-street Parent-Teacher Association will meet Tuesday afternoon at 3 o'clock, at the school.

Attend Mission Play

Mr. and Mrs. B. Utley, Mr. and Mrs. Will Adams and little daughter Marjory were over-Sunday visitors of Mr. and Mrs. F. C. Warren of Los Angeles. After an excellent dinner, honoring the birthday of Mrs. Warren, the merry party motored to San Gabriel, where they attended the Mission Play, returning to Santa Ana in the evening.

AT I. O. O. F. HALL

Sycamore Lodge Entertains in Honor of Rebekah Assembly Officers

The Sycamore Rebekah Lodge entertained Saturday evening in honor of the president of the Rebekah Assembly, Fannie M. Lacy, and the vice-president, Mrs. Adelle Stockwell, of Los Angeles. The grand warden of the state officers, Sarah M. Flowers, was present and introduced the honored visitors.

The Sycamore degree staff initiated three candidates and the efficiency of the officers in charge was so marked and the floor work so beautiful that high compliment was paid by the visitors and all present.

The state president gave an excellent account of her trips to the various parts of the state and her visits to the Old Folks' and Children's Home, which proved to be very interesting. The popular vice-president also made pleasing remarks.

In behalf of the lodge, the Noble Grand, Mida Branson, presented Mrs. Lacy with a beautiful pie knife, the honored lady also being the recipient of a lovely bouquet.

Theodore Lacy, Sr., escorted his wife to the banquet hall, followed by the officers and visitors, and the company enjoyed the excellent menu of salads, sandwiches, cakes and coffee under the able supervision of Mrs. George Peters.

The Noble Grand of Ruby Lodge, at Orange, a number of members were present and Torosa Lodge was well represented by the Noble Grand, Vice-Grand and several other officers and members. The Misses Wagoner from Alberta, Canada, were present and gave the Sycamore floor work high praise.

At the close of the pleasant entertainment, Vice-Grand Clara Bullock of Torosa Lodge extended a gracious invitation to all to attend the Torosa meeting, February 24, when a number of fine picture slides of the Panama Canal will be shown at their open meeting.

Iowans Will Rally

The great mid-winter picnic of the Iowa Association of Southern California will be held in Eastlake Park, Los Angeles, all day, Monday, February 22, 1915. If rainy that date or just before, it will be held Saturday, February 27, or if still rainy, the 6th of March.

To Give Organ Recital

The Woman's Auxiliary of the Church of the Messiah will present an organ recital in the church by Dean Bade of Long Beach, at 2:30 o'clock Tuesday. Dean Bade will also address the meeting. There will also be a tea in the parish hall and a cooked food sale. At the close of the service in the church a silver offering will be taken for missionary work.

Congregational Missionary Society

The Missionary Society of the First Congregational church will meet Wednesday afternoon at 2:30 o'clock, with Mrs. W. D. Barker, 432 South Broadway.

Mrs. Martin will lead the devotional services and Miss Henry will give a review of Chapters 5, 6 and 7, of "The Child in the Middle." Miss Helen Wells will furnish piano music; Mrs. Saegel will give a number on the violin; Mesdames Johnson and Chapman will sing a duet and interesting notes from the missionary field will be given.

A cordial invitation is extended to women of the church and congregation.

W. F. M. A. to Meet

The Woman's Foreign Missionary Auxiliary of the First M. E. Church will hold its regular meeting Wednesday at 2:30 o'clock, at the church.

Postponed Meeting of W.C.T.U.

The W. C. T. U. meeting which was

rain, will be given on Tuesday at 2:30 o'clock in the Congregational church with the same program as was planned for the meeting last week. Rev. P. F. Schrock, pastor of the Congregational church will lead the devotional service.

Solos will be given by Mrs. Ella Fyfe, Mrs. Maude Winbiger and Lou P. Hickox.

Rev. Frank Dowling, pastor of the Christian church of Fullerton will give an address on "The Life of Frances Willard." Mr. Dowling is one of the best speakers in the county and a special invitation is extended to the gentlemen.

All members who know they have not paid this year's dues will please see that they are paid at this meeting or send their dues to the treasurer; also the tax of 30 cents should be paid as soon as possible.

Everybody is invited to this meeting. An invitation is extended to all resident or visiting crusaders to be present and invitation is called to the fact that collection will be taken for W. C. T. U. purposes.

Merry Social Evening

The Young People's Society of the Christian Endeavor of the First Baptist church was host last Saturday evening, to the young people of the church, and the committee in charge, under the direction of Albert Hill, as chairman, proved itself a royal entertainer.

Valentine suggestions prevailed throughout the evening in games, amusements, decorations and refreshments, the only thing not decorated or seasoned with hearts being the delicious chocolate which was a feature of the menu.

The church parlors were well filled with the young people who thoroughly enjoyed the diversified pleasures of the occasion. The evening was well rounded out by a closing service of songs.

Woman's Club Meets Tomorrow

There will be a meeting of the Woman's Club tomorrow afternoon at 2:30 o'clock, at the home of Mrs. W. C. Young, 1206 North Broadway.

Picnic at Birch Park

The Gleaners' Class of the First M. E. Sunday school and their popular teacher, Miss Virginia Johnson, held a merry-making at Birch Park Saturday.

A bountiful picnic dinner was enjoyed at noon-time, after which the company played merry games until time for their departure.

Miss Jewel Blankenship was a welcome guest of the class and among the members present were Misses Mary Geyer, Hazel Stambaugh, Marian Baker, Mary Hendrie, Mirrie Wilson, Clara Rutledge, Violet Post, Florence Blackson, Hazel Morrison, Rowena Brown, Margaret Leighton, Grace Coleman, Glenna Jean Hill, Helen Allen and Mildred Ranney.

Personals

Miss Ruth Visel and Miss Elsie Lutz of Santa Ana, who have been attending Mills' College the past semester, have registered at Pomona College for the remainder of the college year. There are now more than thirty-five Santa Anans at the Claremont school. Eleven of last year's high school graduating class have chosen Pomona as a means of proceeding with their education.

Mrs. Gertrude Ozmun and sons, Aaron and Royden, are again occupying their beautiful home at Tustin, after a residence of several years in Los Angeles and Pasadena.

Miss Mary Ely spent the week-end with friends at Ontario, returning to this city last evening.

Mr. and Mrs. H. M. Hamilton of 1002 French street, recently enjoyed a visit from old Iowa friends, the guests being Mr. and Mrs. H. Jenkins of Ogden, Iowa, and Miss Josephine McCarthy of Boone, Iowa. Mr. and Mrs. Jenkins spent the winter in Santa Ana seven years ago.

Mrs. Caroline G. Summers returned yesterday from Long Beach where she passed several days.

Miss Edna Beary spent Saturday and Sunday at home, returning to Pomona College this afternoon.

Frank M. Foutts of 209 South Sycamore street, received a dispatch last night of the death of his only brother, W. C. Foutts, of East Liverpool, Ohio. This leaves Mr. Foutts as the only survivor of the family of parents and four children.

Miss Mildred Britton has returned from a pleasant three weeks' visit with her sister, Cydne, in the Mojave desert.

Misses Mary Whipple, Lurline Dickery, Jennie and Holly Dale, and Messrs. Leon Dickey, Loren Dale and Frank Wollaston enjoyed a pleasant all-day outing at Cucamonga, yesterday, motoring to the mountains, early in the morning.

Mr. and Mrs. C. A. DeMar of 821 West fifth street, entertained Sunday Mr. and Mrs. Davis and Mr. and Mrs. Rounds of Oakland, Iowa. The visitors are delighted with California and the former couple are thinking of locating here. Mr. Davis said that on leaving Oakland, February 6, the snow had to be shoveled from the railroad tracks, to permit travel and that the flowers and continual California summer time looked mighty good to him.

Mr. and Mrs. W. L. Deimling and daughter, Miss Persana, were visitors in Long Beach yesterday.

Mrs. Lewis Ewing and children of 407 Halesworth avenue, spent the week-end with her parents, Mr. and Mrs. E. J. Eaton, formerly of 144 West Seventeenth street, but who are now living on a ranch a mile and a half southeast of Anaheim. The Eatons this month set out an orchard of 2000 orange and apricot trees. Mr. Ewing spent Sunday at the ranch, returning with his family last night.

Mesdames F. Trinpler, H. Trinpler, John Wagner and Ella Bauer of Orange, enjoyed a delightful outing at Long Beach today.

Mrs. Joseph Young and daughter, Miss Anna Young, of Orange, visited in Los Angeles today.

Mrs. Clare T. Johnson was among the Santa Ana ladies who spent today in Los Angeles.

Mrs. Leo Rafter and son, Leo, Jr., came down from Los Angeles Saturday for a visit with her mother, Mrs. F. W. Salmon.

W. F. Menton and E. S. Wallace were business visitors in Los Angeles today.

Mr. and Mrs. Frank Pinkerton arrived Wednesday from Washington, D. C.

1844 PIONEER WOMAN CLAIMED BY DEATH

SAN BERNARDINO, Feb. 15.—After seventy-one years a continuous resident of San Bernardino valley, Mrs. Ramona A. Silvas, who came here in 1844 is dead at her home here. She was a descendant of one of the first Spanish families to enter Southern California from Mexico.

Sheriff on Lookout

This afternoon Sheriff Jackson received a telephone message from the police at Corona saying that three Italians had rented three rigs at Corona, and had not returned them. Jackson thinks the men are a trio reported by Los Angeles as having sold rigs rented from Los Angeles stables.

RAINS DAMAGE MISSION WALLS

Father O'Sullivan Asks Landmarks Club to Aid in Protecting Structure

Recent Storms Caused a Corner of the Old Building to Crumble

Los Angeles Times: The old Mission church of San Juan Capistrano, probably the best example of mission architecture and construction when it was built by California Indians under the direction of the Franciscan padres, is becoming more of a wreck under the battering of rains and

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed up and miserable. Relief is sure.—Advertisement.

winds. Father St. John O'Sullivan, the priest in charge of San Juan, reports that much damage was done by the recent heavy rains, and more disaster is impending.

Several days ago Father O'Sullivan noticed signs of weakening in the wall of that part of the ruin that is reproduced in the setting of the last act of the Mission Play, and did what he could to save the wall with plank braces, but a very heavy fall of rain occurred the next morning, and at about 9:30 o'clock the masonry fell, leaving a great gap.

The lone padre of San Juan Capistrano has done all that one man can do to check disintegration of the ancient walls, and many a buttress and crumbling tower has been saved with a bit of mortar here and there, replacing the stones and bricks and covering weak places with planks to keep off the rain. But one priest with a trowel can make only a losing fight against a prolonged storm, and Father O'Sullivan needs help to save what is left of San Juan Capistrano. As a ruin, the church is picturesque, but unless the process of disintegration shall be checked the old pile will soon be only a vestige instead of a ruin.

Father O'Sullivan has written to John S. McGroarty telling him simply of the effects of the recent storm and the imminence of further wreckage, and asking if any aid is to be hoped for from the Landmarks Club. This club, formed to preserve and restore the missions, has been reorganized recently, and may find a way to finance its work and complete the restoration already begun on some of the ruined churches. In the meantime the lone padre of San Juan is doing what can be done with one pair of loving, faithful hands to prevent the total disintegration of what was the most beautiful of the monuments of civilization built in California by the followers of Junipero Serra.

SAN DIEGO BAR IS VICTOR OVER LOCALS

San Diego Bar 5, Moose 4, is the way yesterday's diamond battle ended up at Moose park.

Hollis Leake was on the mound for the Moose and pitched a good game of ball, allowing the visitors but five bingles and striking out 7.

Had his teammates given him support the boys would have won the game. The Moose lineup was twisted and tangled up so that it was a wonder they put up the game they did.

With Freeman on first and three new outfielders the locals were badly crippled.

The score:

'Pape's' Diapepsin' Digests Food When Stomach Can't; Cures Indigestion

Do some foods you eat hit back—taste good, but work badly; ferment in stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered, you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

MOTORISTS' EXODUS TO OCEAN BEACHES PROMPTS QUERY, 'IS SUMMER SEASON OPEN NOW?'

Although an almost unparalleled rainy season is still practically "on" in full swing in Southern California, this does not seem to have the effect of deterring the thousands of automobilists and recreation-seekers from taking advantage to the fullest of each bright, sunshiny day that happens along.

So heavy was the traffic on southern boulevards yesterday and so thronged were the beaches that the summer season may be said to have already opened.

Of course, in Southern California there is really no "official" date when the outing season opens—weather conditions are so ideal almost the year round that to single out a certain Sunday along in April or May and style it "opening day" at the beaches is without a doubt something of a superfluity.

The sight of hundreds of "outsiders" at every Orange county resort, from Seal Beach to Laguna, yesterday was sufficient to cause some of the more "previous" forecasters to venture boldly the assertion that the season opened yesterday.

And why not? February 14, in Southern California, is not too early a date for such an occasion. Especially when February is, like it was yesterday, of delightful and exhilarating balminess.

Many Santa Anans took advantage of the splendid road from Santa Ana, via Bolsa and Westminster, to Seal Beach and Long Beach yesterday. Some of the bolder ones, returning to or leaving this city, disregarded the advice to use the West Seventeenth street detour, and as a result became mired in the so-called road just off Fifth street at the westerly end of the bridge. Even though a number were forced to telephone to local garages for service cars to pull them

out, they did not cavil at this, taking the affair with a laugh and saying that "It's all in the game."

Orange county beaches are beginning to rival those of Los Angeles county in point of Sunday visitors. Although there were great throngs at Venice, Redondo, Long Beach and other resorts to the north, Newport, Balboa and, in fact, every other seaside retreat along the Orange county coast, came in for a very large share of the crowds.

Hundreds of automobiles were parked at Newport, East Newport and Balboa. Certainly the damage done at some of the resorts by the recent storms attracted a large number, but there can be no doubt that there would have been every whit as many people on hand had there been no added attraction such as the tide damage. For there is nothing more attractive and delightful anywhere in the world than an Orange county beach.

Balboa storekeepers state that the crowd yesterday was the largest so far this season and that it rivaled in size a large proportion of those at the beaches last year.

A number of surf fishermen tried their luck off the various piers but the ocean is very muddy at present as a result of the Santa Ana river and other streams running high, and fishing will not be very good until several weeks from now.

Already experts, who are able to "size up" the situation, aver that a great fishing season will be had this summer.

Surf bathing was indulged in yesterday by the more venturesome at the various beaches. At Balboa a number of the very latest designs in feminine bathing togs made their appearance, ample proof, if any were needed, that the summer season really opened yesterday.

SPORTLETS

Fifty-Fifty

The Ammandale team, league championship title holder, defeated San Gabriel on its own links 5 to 2 on scratch and was defeated by San Gabriel 5 to 2 on handicap, Saturday.

Draw

After the fastest and hardest fought ring contest ever seen in New Orleans Joe Mandot and Johnnie Dundee were given a draw verdict at New Orleans yesterday afternoon. They fought over the 20-round course.

Doing Well

The betless horse races being staged at Ascot are drawing good crowds.

Out

Losing its chance to contest in the finals for the basketball championship of Southern California, San Bernardino high school was defeated by Fullerton high school Saturday by a 44 to 33 score. Fullerton will meet Whittier high school for the southern title.

In

Johnny Marquis will drive his Bugatti car in the Venice Grand prix race March 17.

AMUSEMENTS

Following its affiliation with Henry W. Savage, recently effected, the Ramon Players Film Co. present Edward Abeles in a four-part adaptation of Henry W. Savage's tremendously successful mystery-farce, "The Million," the current Paramount attraction at the Temple.

So quick is the action of the farce that its adaptation to the screen was inevitable; indeed, the plot is a motion picture in itself. Edward Abeles is versatile, and at all times entertaining.

"The Million" is a safe and sure remedy for melancholia, and is absolutely fatal to one's dignity. The motion picture has been cleverly constructed, and the settings, of which there are many, are uniformly good.

"The Million" is a sort of double-barrelled entertainment. From one barrel the artists in the cast pour an incessant rapid fire of convulsing humor upon their audience, while from the other several volleys of melodramatic thrills are fired.

The subject is bound to be popular for a long time, but only be seen at the Temple Monday, Tuesday and Wednesday this week.

\$50,000,000 SHOW TO OPEN ON FEBRUARY 20

February 20, at 9 a. m., the Panama-Pacific International Exposition will swing wide its gates and open to California, the Pacific Coast and the world the greatest, the most beautiful and the most important and complete exposition in history.

This exposition is known as the Fifty Million Dollar Show, resting on the shores of the Golden Gate at San Francisco, showing the wonderful progress the world has accomplished and dedicating the opening of the Panama Canal uniting the Atlantic and Pacific oceans.

The Southern Pacific company will have on sale February 18, 19 and 20 tickets from all Southern California points, at fare and one third for the round trip, ten day limit.

Everybody should avail themselves of this opportunity to attend the opening of the great exposition and visit San Francisco.

Fullerton Tribune: George L. Delrich of Anaheim, in his auto, ran down Guy S. Curtis of the Curtis Cash Grocery here Friday night. Mr. Curtis started across the street when the car struck him. It is said the machine was going 18 miles an hour. Mr. Curtis was thrown a distance of 12 feet. He was badly bruised but not seriously injured.

Phone us for any kind of electrical repair work. Prompt service. Big reductions on portable lamps. ROBERTSON & PACKARD.

[Signed]:

W. B. TEDFORD, Santa Ana.
D. C. DRAKE, Orange.
HARRY L. HANSON, Santa Ana.
January 16, 1915.

Inventory

One street sign, size 5x50; in care of Mr. Gunnett, Santa Ana.

Flat-top desk, phone desk, chair and ingrain rug; in M. E. church, Anaheim.

Two letter files, rubber stamps and pad, secretary's record and other minor office supplies, \$100-note bearing 7 per cent interest; in care of S. R. Coate, Anaheim.

Express Thanks

In behalf of the officers, we are indebted to the various organizations which rendered such good service. The pastors and their churches, the several W. C. T. U. organizations and their tireless workers, and the endless number of individuals throughout the entire county.

In behalf of those actively employed, we owe a debt of gratitude impossible to repay to the consolidated Finance and Executive Committee, who gave much of its time both day and night upon which the success of the campaign was so dependent. We feel that we should here record the names of the members that those interested may know upon whom the burden of the campaign lay, namely: First Supervisorial District, C. C. Collins, Santa Ana; Second Supervisorial District, W. D. Sealey, Huntington Beach; Third Supervisorial District, C. H. M. Sutherland, Anaheim; Fourth Supervisorial District, S. M. Craddock, Orange; Fifth Supervisorial District, C. A. Miller, Tustin.

Each member was duly elected by the County Central Committee, thus forming a board representing each of the five supervisorial districts of the county.

Before the payment of bills (which were a. paid by treasurer's check) each was audited by the president or secretary and ordered paid by the Executive Board, with the proper signatures attached in each case.

Respectfully submitted,

S. R. COATE, Secy.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look, Mother! If Tongue is Coated Give 'California Syrup of Figs'

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."—Advertisement.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKRODE, R.F.D., No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Facts are Facts

because of anything or conditions that actually exist. The statements we've been making from time to time regarding conditions in the Tempeleton-Paso Robles district—(climate, fertility of soil, advantageous location as to market and social conditions, rainfall and wide range of products), have been statements of facts, sometimes disputed by parties who have no knowledge of the facts, or have only made an indifferent investigation, but facts nevertheless.

Our statements of the probable future of the district have, of course, been predictions based upon those facts and our observations of what has taken place in many other meritorious sections of California. Every forecast made by us as to the future of the locality is being more than justified by the happenings of the past two years, at a time too, when development in many localities has been at a standstill or slipping back. Most of the development now being done there, with the exception of an eight million dollar project, is by men from Orange county and other parts of Southern California, mostly men of the hard-headed "show-me" type who know fruit and nut growing and California conditions.

We're Right

we know we are right and will be glad to tell you about this wonderful country and talk land to you—large or small parcels, improved or unimproved, fruit, nut, general farming, or stock ranches.

NOTICE INVITING BIDS

Santa Ana, Feb. 3, 1915.
In pursuance of the order of the Board of Supervisors of the County of Orange, Cal., adopted Feb. 3, 1915, directing this notice, notice is hereby given that the said Board of Supervisors will receive bids for the construction of a 100 ft. span reinforced concrete bridge, on California State Highway, across Oso Creek, near Gallivan.

Bids must be made on the form provided for the purpose, addressed to the Board of Supervisors, Orange County, Cal., and marked "Bid for Concrete Bridge across Oso Creek."

The bid must further conform to the requirements of the "Instructions to Bidders" on file in said office.
The said work must be done in strict conformity with plans and specifications therefor, which said plans and specifications were adopted by the Board of Supervisors of said County on Feb. 3, 1915, and are on file in the office of said Board. Reference is hereby made to the said plans and specifications for full particulars and descriptions of the said work.

Each bidder must submit with his proposal a satisfactory check, cashed by order of the County of Orange, for an amount not less than ten (10) per cent of the aggregate sum of the bid, as a guarantee that the bidder will enter into the proposed contract if the same is awarded to him.

The amount of the bond to be given to secure a faithful performance of the contract for said work shall be 25 per cent of the contract price thereof, and an additional bond in an amount equal to 50 per cent of the contract price for the said work shall be given to secure the payment of claims for any material or supplies furnished for the performance of the work contracted to be done by the Contractor or any work or labor of any kind done thereon.

The Board of Supervisors reserves the right to reject any and all bids.

By order of the Board of Supervisors of the County of Orange, State of California.

W. B. WILLIAMS,
County Clerk.

IN THE JUSTICE COURTS
**RESPONSIBILITY
IS NOT CITY'S**
Justice Cox Says McCordie's
Claim Lies Against the
Sugar Company

Responsibility for whatever damages W. J. McCordie has suffered by reason of leakage of the outfall sewer that crosses his ranch southwest of Santa Ana lies with the Southern California Sugar Company and not with the city of Santa Ana.

Justice Cox so decided this morning when he rendered judgment in favor of Santa Ana in the action brought by McCordie for \$218 damages. Since the sugar factory was not sued as a party to the action, no judgment was entered against it. The justice stated that were he able to give judgment for McCordie, he would have to allow him something for damage done to his bean crop.

McCordie asserted that one year leakage injured his sugar beets and another year his beans. The claim for sugar beets was controverted with the testimony of several witnesses.

During the trial there was submitted a contract entered into between Santa Ana and the Southern California Sugar Company three years ago whereby the sugar factory took over the control of the city's sewer farm and much of the sewage was diverted to the factory's outfall sewer that empties into the ocean off the shore between Newport Beach and Huntington Beach.

FOR A BAD COLD

The surest way to stop a cold is to loosen the liver and cleanse the bowels, and the nicest cathartic to do this is a 10-cent box of Cascarets. Take one or two Cascarets tonight and your cold may be gone by morning.—Advertisement.

ton Beach. The justice concluded that the question of the city's responsibility would be settled by the wording of the contract.

On his docket, Justice Cox has entered his findings as follows:

"The court has considered the evidence and arguments of counsel, and finds that under the contract it is uncertain whether the City of Santa Ana or the sugar company is in control of the pipeline from the septic tank to the sewer farm, but the conduct of all parties, including the plaintiff, shows the sugar company is in control and therefore the only party responsible. Wherefore, it is the judgment of the court that the plaintiff take nothing by this action, and the defendant recover costs."

It is not known whether or not McCordie will now proceed to sue the sugar factory.

Held to Answer

The preliminary hearing of Albert Lee Boyce was held before Justice of the Peace Leo Goepfer at Balboa Saturday morning. Attorneys B. E. Tarver and William Menton of Santa Ana appeared for the defense and Assistant District Attorney A. E. Koepsel for the state. The hearing resulted in the defendant being bound over to the superior court for trial to answer to charge of felony, and bail was fixed at \$1000, which he was unable to furnish. The complainant is a girl under 18 years of age.

Laswell Is Held

This morning Justice Armor at Orange ordered that A. Laswell, a fugitive, be held to answer upon a felony charge. He is accused of being concerned in the burglary of the Valencia Growers' packing house at Orange. Willard Shadel, Farley Sutton and Vernon Thompson stated on the witness stand that they got cyanide at the packing house and sold it to Laswell. Laswell's bond was fixed at \$1000. Attorney H. C. Head, who appeared for Laswell, stated that the defense's evidence would not be put in until the superior court trial.

This afternoon Justice Armor is conducting the preliminary examination of J. H. Whaley of Orange, a restaurant man, in whose barn the cyanide was stored by the three boys. Clyde Bishop is defending Whaley.

Traffic Troubles

H. Maag, F. Schildmeyer and John Palmer paid fines of \$10 each today on speeding charges. R. S. Bliss paid \$3 for running a machine with the muffler open.

Jury Tomorrow

Tomorrow Justice Cox is to have a jury trial. Paul Snyder is the defendant. He is charged with having trespassed upon the ponds of the Lomita Gun Club near Sunset Beach on January 1. It is understood that Snyder's defense is that the fences were down and that he did not know when he got on to the gun club's property.

**SURPRISES MANY
IN SANTA ANA**

The QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, the remedy which became famous by curing appendicitis, is surprising Santa Ana people. Many have found that this simple remedy drains so much foul matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-ika is the most thorough bowel cleanser ever sold. Rowley's Drug Store.—Advertisement.

AT THE COURT HOUSE
**MUST PAY OUT
\$70,000 SOON**
Forty Good Roads Bonds Will
Be Met by County This Month;
Interest, \$30,000

County Treasurer Joplin is going to make out a \$70,000 check in a few days and send it back to New York, through a local bank, to Kuntze Bros., who bought the \$1270,000 good roads bonds issue. On March 1 there comes due \$30,000 interest on the bonds and forty bonds of \$1000 each are to be paid off. Last year thirty bonds were paid.

Asks Probation

Z. A. Watson of Orange today petitioned Judge West for probation. Last week Watson pleaded guilty to stealing cyanide from the McPherson Heights Citrus Association and from Bowman & Wiley, fumigators. He appeared without an attorney today, and said that he would like to have a chance to make good. The matter was postponed to February 24 for further hearing.

Peace Bond Asked

Otto J. Ruddeck, a baker at the Dragon, has sworn to a complaint charging that Fred Rabe has threatened to kill Paulina Rabe, wife of Fred. It is proposed to put Rabe under bonds to keep the peace. Rabe came here from Corona, and went to Ruddeck's house in search of Mrs. Rabe. He had a revolver with him, showed it to Ruddeck and said he would kill the woman. City Marshal Jernigan arrested Rabe a week ago Sunday.

Appraisers Named

J. N. Anderson, W. H. H. Clayton and S. M. Craddock have been appointed to appraise the estate of B. H. Reavis.

Attachment Case

Notice of attachment has been recorded in connection with an action for \$862.44 brought by the Maine Machine Works against W. W. Conklin and others. Property at Garden Grove is attached.

Where Are They?

If the children or grandchildren of Herman Ludewig, who died at Fullerton on Feb. 4, are not heard from within three years, \$668.12, the value of Ludewig's estate, will go to three of his old friends, August Hiltcher, Adam Brandt and Jacob Yaeger, all of Fullerton.

Ludewig's will was filed for probate by Attorneys Head & Marks. It states that the writer, Ludewig, in recent years had written several letters to his children, but had received no answers. They or their children have three years in which to appear and claim the estate.

Wants Citizenship

Miss Kathleen Dorothy Loly, a teacher in the Anaheim high school, has petitioned for final letters of citizenship. She was born in England in 1889, and has been in the United States since 1904.

Emil Schmidt, aged 22, a farmer on Anaheim R. D. 5, has taken out his first papers of citizenship. He was born in Russia, and came to America in 1910.

Courthouse Notes

Suit for divorce has been brought by Delia B. Hayden against William C. Hayden. Attorney M. B. Keyes represents the plaintiff.

J. G. Quick, W. L. Sheffield and H. C. Lee have appraised the estate of A. W. Jones at \$9,639.37.

E. W. Augustine is plaintiff in an action brought against Francis E. Crawford to foreclose a mortgage of \$300 on land in the El Modena Citrus Lands.

Serious Accusations

A warrant has been issued through the juvenile court for the arrests of Ralph Stocking of Long Beach, formerly of Orange, Harvey Price and John Wickersheim, both of Orange, on charges of contributing to the delinquency of Alice Henrich, aged 16, Fern Henrich, aged 14, and Opal Smith, aged 16, all of Anaheim. It is charged that the men gave liquor to the girls, and otherwise contributed to misconduct.

Parole Broken

Because he did not follow out the orders of the court when parole was granted him, Oscar Smith was today ordered to the state school at Whittier until he is 21 years of age. The boy formerly lived at Los Alamitos. He was given a chance to behave himself and promised to do so, but he broke his parole. He is now 16 years of age.

INDEPENDENT NOMINATIONS MAY BE MADE

It was learned today that four or five attorneys are looking up the law to determine whether or not independent nominations can be made for the coming city election. It was stated to the Register today that one attorney who had read the primary laws over is fully satisfied that independent nominations can be made.

There is little question but that nearly all of the candidates want to keep away from a partisan fight, and if possible they will not enter into the primaries, but leave it to independent petitions to get their names on the ballot for the election April 12.

Today it was stated positively that E. C. Brockett will be a candidate for trustee from the Fifth ward and E. E. Cooley from the second ward. D. G. Cole is considering running from the first ward and Thomas Shannon from the third.

EXHIBIT SURFACING AT CADILLAC GARAGE

There is on exhibition at the Cadillac garage in this city a sample of the top dressing now used in the construction of the paved roads with this explanation:

"Sample of 'Good Roads' surfacing on Newport Road."

"Road cost \$10,000 per mile."

"Sample shows what we get for our money."

"Looks like a mighty big price for a mighty poor job."

"Remedy. Use the surplus for an asphalt covering and make the roads permanent and lasting."

TRY THIS FOR NEURALGIA

Thousands of people keep on suffering with Neuralgia because they do not know what to do for it. Neuralgia is a pain in the nerves. What you want to do is to soothe the nerve itself. Apply Sloan's Liniment to the surface over the painful part—do not rub it in. Sloan's Liniment penetrates very quickly to the sore, irritated nerve and allays the inflammation. Get a bottle of Sloan's Liniment for 25c of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.—Advertisement.
